

To order a kit, follow this convention:
Item#/length of rod/finish

For example, a single rod ceiling mount
kit with a 6' rod length in Iron Copper
would be: **FMH138403/6/IC**

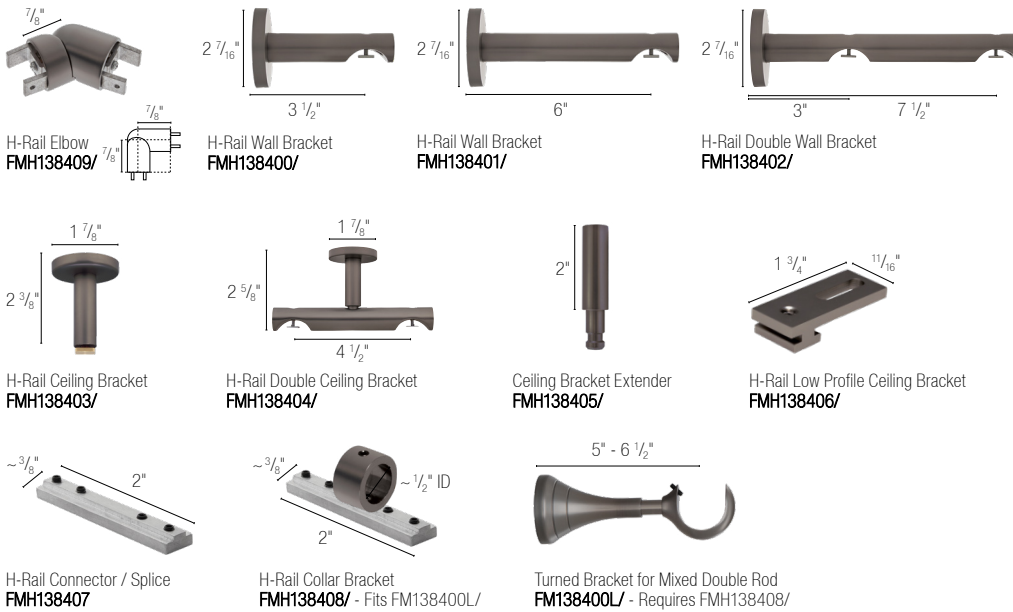

- 1 3/8" diameter tracks are available in 6', 8' & 12' lengths. 12' lengths are available in all finishes except BZ, ORB or IC.
- All H-Rail Kits include End Caps but are designed to work with any 1 3/8" Antiquities Finials.
- Compatible with R-TRAC Baton Draw Track Systems. Use ball bearing carriers for pinch pleated panels, and Ripplefold carriers for ripple panels. For more details on carriers, please see the price list.
- Manual Baton Draw System.

Materials: Aluminum/Zinc
Available finishes:

Polished Nickel PN	Antique Pewter AP	Iron Copper IC	Antique Brass AB	Brushed Bronze BZ	Oil Rubbed Bronze ORB	Matte Black* MK (coordinates with VZ & DRB finials)	Satin Black SK
-----------------------	----------------------	-------------------	---------------------	----------------------	--------------------------	--	-------------------

H-Rail Accessories in finishes above:

Batons for Manual Baton Draw System in finishes above:

- Metal Batons - 36", 48" or 60"

Installation: Typically 1 3/8" diameter tracks require two brackets at each end 16" or 24" apart depending on the stud positions, and every 48" apart over remainder of track.

Availability: All items are stocked and available for same day shipping if ordered before 3:00pm ET.

Return Policy: 25% restocking fee. No returns on cut track or after 30 days of receipt.
