

WOOD HARDWARE

From traditional to modern, the rich wood grains and architectural details of the Finestra® Wood Hardware collection will enhance window treatments of all styles and fabrics. The collection combines a hand-crafted look with elegant appeal that adds warmth and texture to a variety of room designs.

ESPRESSO (ES)

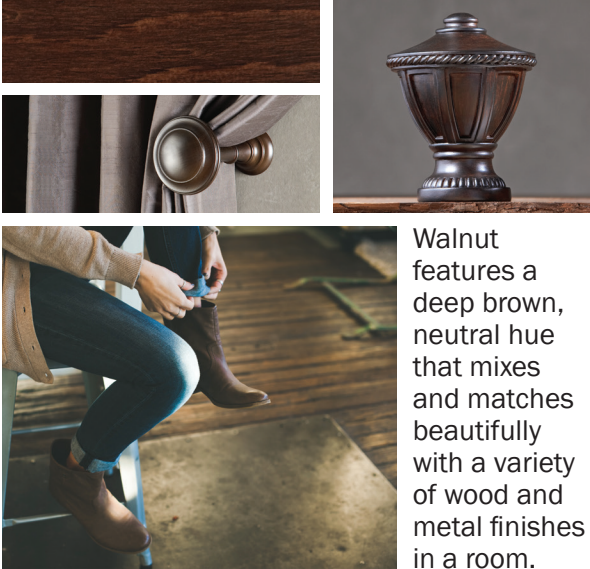

Espresso is a deep, dark-roasted versatile black-brown finish that can easily be incorporated into traditional and contemporary settings.

MAHOGANY (MA)

Mahogany is a rich, classic finish infused with a red undertone evoking traditional warmth and comfort.

WALNUT (WA)

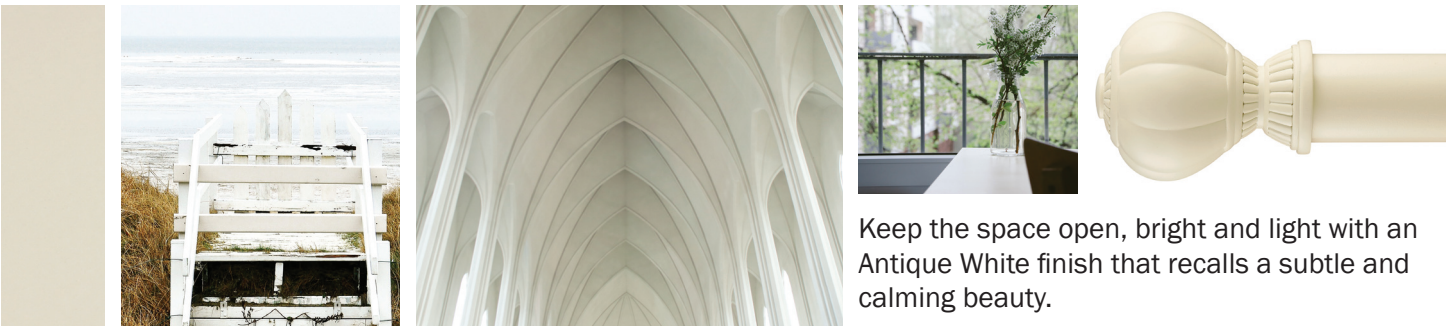

Walnut features a deep brown, neutral hue that mixes and matches beautifully with a variety of wood and metal finishes in a room.

PECAN (PE)

Pecan is a calming mid-tone brown finish that can beautifully accentuate both classic and contemporary styles.

ANTIQUÉ WHITE (AW)

Keep the space open, bright and light with an Antiqué White finish that recalls a subtle and calming beauty.

The new Finestra® Wood Hardware collection offers the perfect combination of classic finial designs in 2" and 1 3/8" diameters, furniture-quality finishes and a convenient quick-ship program to set your project apart.
