

Gastonia, NC – December 8, 2022 – We would like to thank you for your incredible support of Rowley and your belief and trust in choosing us as a partner in your business.

2023 begins a new journey for Rowley as I transition into the role of Vice Chairman, succeeding Bill Taylor. I would like to thank Bill for the work he has done as Rowley's CEO for the past 15 years and will lean on him for his industry knowledge and experience as I transition into this new role. I bring over 30 years of experience leading building products companies, focused on driving value for customers.

One of my greatest joys is helping people and organizations reach their potential. After meeting the Rowley team, understanding the opportunities to enhance the business, seeing the challenges we need to solve to provide best-in-class service, and the opportunity to serve this fantastic community of customers, it was an easy decision to join the Rowley community.

I look forward to meeting with you, our valued customers and partners, over the next few months to learn more about how we can continue to work together to profitably grow your business for many years to come.

Sincerely,

Larry Denbrock
Vice Chairman
