

R-TEC Smart Controls - Remotes & Wall Switches

RTMHR1C, RTMHR5C, RTMHRP15C, RTMHRP15C/K, RTMHR15C,
RTMWSR5C, RTMWCR1C, RTMWCR2C, RTMWSR15C

Choose from a variety of remote and wall switches to customize your R-TEC Automation[®] window treatment control options. Remotes and wall switches allow for individual, group and all control for a customized solution with 1, 2, 5 or 15 channel options.

Handheld remotes with wall mounts give users complete control from an elegant handheld remote.

1 or 15 Channel Handheld Remotes with Wall Mounts offer modern features, including LCD displays, individual, group and all control and precision leveling. They feature a contemporary design with touch sensitive controls.

Push5 or Push15 Channel Handheld Remotes with Wall Mount offer luxury and functionality in a well-crafted minimal design, featuring soft tactile rubber buttons that can control 5 or 15 individual or 5 or 15 groups of window treatments, as well as an "All" button that conveniently activates all programmed channels.

Wall switches provide a sensible control option for room and whole home control.

5 Channel Surface Mount Wall Switch offers easy installation without having to cut into the wall with a slim profile. Any single channel or all 5 channels can be selected for operation at any time.

1, 2 or 15 Channel Cut-In Wall Mount Switches offer the ability to hide unused channels for easier scrolling and selection, featuring a contemporary design and a wirefree deployment, making them retrofit ready for any location. Require RTMSMB/W for installation.
