# R-TEC AUTOMATION® by Rowley

Wirefree Tubular Motor with Attached Wand Control
RTMLW25

Li-ion battery powered motorized shades with wand control are a perfect retro fit for existing homes and for introducing automated shades at a value. Easily adjust your shade with the controls located on the wand. Child Safe Wand Control available in White in 3 lengths: 24", 36" or 48".

The standard 25 mm motor allows a maximum shade size of 84" x 84" and has a 21 ½" minimum shade width / roller tube length.

Preferred Upper / Lower Limit Settings
Electronic "autoset" limits accurately program preferred upper and lower limit settings.

Favorite Position
Allows a most used or favorite position to be set between upper and lower limit settings.

USB Charge
Easily charge the wand via the universal Mini USB Charging Port.
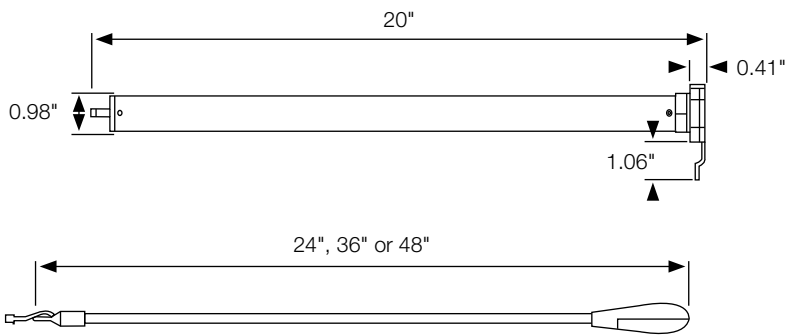

Battery Powered
Rechargeable built-in Li-ion battery that operates up to 500 up and down cycles per charge (based on recommended shade size).

USE WITH

Compatible Power Options

Item #	Description
RTMLWC6	Wall Charger for Wand 6' Cord

Compatible Wands

Item #	Description
RTMW24/W	24" Wand, White
RTMW36/W	36" Wand, White
RTMW48/W	48" Wand, White

Compatible Drive Set Kits

Item #	Description
RTMDRK25114	1 ¼" Drive Set Kit (includes motor adapter plate, crown & drive set and end pin)
RTMDRK25112	1 ½" Drive Set Kit (includes motor adapter plate, crown & drive set and end pin)

Compatible Aluminum Rollers

Item #	Description
RC58/4	1 ¼" (4', 6', 8', 12' or 16' lengths)
RC60/4	1 ½" (4', 6', 8', 12' or 16' lengths)

Compatible Brackets & Bracket Covers

Item #	Description
RSB10	Bracket: 1 $\frac{5}{8}$" Projection, 2 ¼" Width
RSB20	Bracket: 2 $\frac{1}{8}$" Projection, 2 ¼" Width
RSBC10/	Bracket Cover for RSB10 (SN, W or K)
RSBC20/	Bracket Cover for RSB20 (SN, W or K)
RSNB10	Bracket: 1 $\frac{5}{8}$" Projection, 1 ½" Width
RSNB20	Bracket: 2 $\frac{1}{8}$" Projection, 1 ½" Width
RSNB30	Bracket: 2 $\frac{7}{8}$" Projection, 1 ½" Width
