

How-To Order

1 – CHOOSE YOUR ORDERING PREFERENCE

Select whether to fabricate your shade system yourself, or have Rowley® do the work for you.

ORDER BY COMPONENTS

- Quick Order Checklists available for each shade style.

CUSTOM SOLUTIONS

- Our in-house experts will do the work for you and assemble your made-to-order R-TEC Automation® Soft Shade System(s).
- See [Custom Solutions](#) for each motor's How-To Order & Form. **H**
- Select systems and options available.

2 – CHOOSE YOUR SHADE STYLE

Select from Roman / Soft (Lift Band or Lift Cord) or Roller. Custom Solutions has soft shade option only.

3 – CHOOSE YOUR MOTOR

Select from Wirefree Li-ion, DC, or  Basics (compatible with 5 Channel Basics Remote only).

WIREFREE LI-ION

- A perfect retro fit for existing homes or small commercial projects.
- Certified Best for Kids™.

DC

- Ideal when designing a new home, motorizing an existing home or planning a commercial project.
- Certified Best for Kids™.

BASICS

- Accessible and essential motorization. Compatible with 5 Channel Basics Remote only.
- Certified Best for Kids™.

4 – CHOOSE YOUR SHADE WEIGHT & DIMENSIONS

Shade Weight determines Motor & Tube Size. Check the maximum size recommended for the weight of your shade.

5 – CHOOSE YOUR MOTOR POWER & ACCESSORIES

Select from Power Supplies to Battery Chargers and Extensions or our Eco Friendly Solar Panel Battery Charger.

6 – CHOOSE YOUR CONTROL

Variety of Remotes and Wall Switches available. Custom Solutions system for Li-ion or DC Motor includes Handheld 1 Channel Remote. Take your shade control to the next level by upgrading to the R-TEC Hub to integrate your shades with whole home and voice control systems.

Basics Motors and Controls are not compatible/interchangeable with other R-TEC Motors and Controls, including the Hub and/or App - order our Basics RF 5 Channel Remote Control to coordinate with the Basics Motor (included in Custom Solutions system).
